
A Message from your Community Lay Director

We have been discussing the Monthly news letter for the last couple of board meetings and have decided that it was time to get something started. The board has shown an interest in a pilot program that could decide once and for all if there is a need or an interest in a mailed news letter.

We have received a starting fund which would allow for two months of mailings, and depending on the interest, possibly a third month. The board has some names of interested members and starting with this month the news letter will be mailed out to those people, in addition to the emailed ones.

We have a company that will copy our news letter on the correct weight paper for \$.05 a side, print our address list labels and apply them at no additional cost. Even with the help of this company our cost will depend on the number of pages per month and the mailing costs. We know at this time one news letter mailed will cost us \$.76 each time for a total of \$9.12 a year, and if this does prove to have a following, it would cost us \$10.00 a year to mail.

Tell your friends and those that we don't see at the gatherings, that we are trying to mail these again, and will continue if the interest is there.

If you know of anyone who would like to have one mailed to them, get in touch with me by phone or if possible by e-mail.

Chrysalis Notes:

The January and February flights are now over. Thirty young ladies and thirteen young men are now Butterflies living out their Next Steps. Let's keep these young folks covered in prayer.

The next flights are in July for both young ladies and young men between 15 and 24. Applications are available at gatherings or you can

go on line to West Ohio Chrysalis. Is there a young person that you know who is ready for that next step in their Christian walk? Chrysalis is similar to Emmaus but with changes to make the weekend more meaningful to young folks. Questions about Chrysalis, you will find information on the Web page, you can talk with those who have attended a Chrysalis flight or you can contact me (tidever@att.net).

Your Chrysalis Representative,

Tom Dever

He Lives, He Lives, Christ Jesus lives today! He walks with me and talks with me along life's narrow way. He Lives, He Lives, salvation to impart! You ask me now I know he lives? He lives with-in my Heart.
