

 A Message from your Community Lay Director

Did you like history when you were in school? Little known fact about me- I was a history teacher 50 years ago. And you may think it but don't say it, "there wasn't as much history back then." Anyway, I enjoy history and encouraging young people to embrace stories of yesterday and how they affect us today.

When you read the bible you see how the people of Israel continue to tell their story of how God blessed them and worked thru them. From Abraham and Moses thru the judges. To David and the good and bad Kings and all the prophets. They tell their story.

I find it disturbing today that some in our great country want to rewrite our history. They want to give God no credit and attack all the good the USA has done for so many.

What happened?

What happened to us? Where are the Christians? Time to stand up for what we believe!

What happened to us as a family of Emmaus? Our early history was 3 ladies walks and 2 men's walks a year. A waiting list of pilgrims and a long list of willing team members. People were on fire for the Lord!

The Springfield Community had a history of love. A history of participation and loving walks. We hugged each other, prayed for each other, cried and laughed with each other. Loved each other! We were on fire!

Let us – each one – continue that history. Catch on fire! It is still there! We need to reignite the fire. Let's make it bigger and brighter. It's our history. Our DNA. I firmly believe the Lord is not done with us yet. The verse I hang my hat on is Philippians 1:6. He ain't done with you, me this community yet. I'm excited for where we are going. I know our history and it is a good one. Twenty five years and counting on Christ. And He is counting on us. It's warming up! Catch on Fire!!
